Dear Mr. Cicio:

Thank you for participating in the April 30 Federal-State Current Issues Collaborative meeting on gas/electric coordination. We appreciate the thoughtful comments and insights you provided during the meeting. I thought this was the most successful Federal-State Collaborative meeting we've held to date, and your participation was critical to its success.

We look forward to continuing this discussion with you in the future.

Thank you again for your participation.

Sincerely,

A handwritten signature in black ink, reading "Mark C. Christie".
